LETTER TO THE OFFICIAL DRAFTSPERSON

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

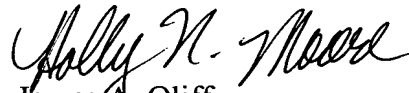

Sir:

The Notice re Patent Drawings objects to drawing Figs. 1-35 because copy machine marks are not acceptable. We note that the Notice should be correctly dated August 1, 2005, as evidenced by the enclosed copy of Notice of Draftsperson's Patent Drawing Review.

Although Applicants believe this problem is a result of poor reproduction in the Patent Office scanning process, Applicants submit the attached replacement drawing sheets Figs. 1-35 to ensure proper scanning of the drawing figures by the Patent Office. Please substitute the attached thirty-seven (37) sheets of formal drawings depicting Figures 1-35 for the corresponding drawings filed with the application. The attached drawings have been

corrected pursuant to the copy of Notice re Patent Drawings. Accordingly, withdrawal of the objection to the drawings is respectfully requested.

Respectfully submitted,

James A. Oliff
